2. Read Government Proceedings No. 2088-93—L. F. 60-95, dated 12th August last, requesting to consult the Members of the Municipal and Local Fund Boards in the matter of opening new Local Fund Dispensaries in places where none exist and submit a statement of places requiring Dispensaries in the order of urgency, stating the particulars of population, &c.

Resolved unanimously that the following important places may be provided with Local Fund Dispensaries in the order given.

1. Siralkoppa, Shikarpur Taluk.
2. Nyamti, Honnali Taluk.
3. Holehonnur, Shimoga Taluk.
4. Anvatti, Sorab Taluk.
5. Humacha, Nagar Taluk.
6. Karur, Sagar Taluk.

3. Read and recorded Government Proceedings No. 2075-7—L. F. 196, dated 12th August last, stating that Government are not prepared to allow house rent to Midwives serving under Municipal or District Fund Boards as recommended by the Senior Surgeon and Sanitary Commissioner with the Government of Mysore.

4. Read Government Proceedings No. 2101-12—L. F. 379-92, dated 12th August last, directing that instead of Mestris being employed in each Taluk for the execution of Local Fund works, the system suggested by the Chief Engineer of entrusting to non-official Members of the local bodies the supervision of small public works of local interest may be tried tentatively and the result reported at the end of the official year.

The non-official Members are of opinion that though the suggestion of the Chief Engineer as regards the supervision of Local Fund works of a petty nature by those Members is unobjectionable in principal, it cannot be carried out in practice, as there is only one non-official Member for each of the Taluks of Shimoga, Channagiri, Nagar and Tirthahalli, while for all the remaining four Taluks of the District there are only two Members, and as the works are not carried out in one locality or near the residence of the Local Fund Members but are scattered in different places and at long distances from the residence of the members.

5. Read and recorded the following Proceedings of Government:—

(1) Government Proceedings No. 3253-64—L. F. 59-94, dated 6th September last, passing orders in regard to the construction of Chavadis.

(2) Government Proceedings No. 5165-73—L. F. 61-95, dated 2nd November 1895, stating that Government are not prepared to sanction any grants from Local Funds General for execution of drinking water wells or other new works during the year 1895-96.

(3) Government Proceedings No. 4449-58—L. F. 210-92, dated 22nd October 1895, drawing the attention of the Deputy Commissioners to the order of 1st November 1892, which directs that District Fund Budgets should be submitted so as to reach Government office not later than 31st January, and stating that the establishment charges on

account of works to be executed by Public Works Department out of District Funds should be calculated at 17½ per cent on sums provided under "Original Works" and "Repairs."

6. Read and recorded docket No. 595, dated 17th September last, from the Executive Engineer, Shimoga Division, on the subject of opening a road between Sagar and Doddinkop *viâ* Hartal, Hebbail and Bimankone (Subject No. 173 of the Dasara Representative Assembly Proceedings of 1894) informing that the track almost runs parallel with Sagar, Anantapur, Doddinkoppa road at a short distance apart and is nearly of the same length. It is mostly on the ridge line with one large stream between Hebbail and Hartal costing over Rs. 10,000 for bridging. Having a pakka road already between Sagar and Doddinkop and the improvement of the present track is not very necessary, and that if funds are available the track may be included in the list of tracks annually maintained by the Revenue Department.

7. Read and recorded Sagar Sub-Division Officer's docket No. 104, dated 17th September last, on the same subject.

8. Read Executive Engineer's docket No. 653, dated 18th October last, forwarding for countersignature and return a Supplemental Estimate for metalling and tunnelling Sagar-Siralkoppa road amounting to Rs. 2,263.

Resolved that the estimate may be sanctioned as the Budget allotment will not be exceeded.

9. Read Executive Engineer's docket No. 681, dated 29th October 1895, forwarding a re-appropriation statement for repairing 3rd Class Travellers' Bangalos in the District.

Resolved unanimously that the re-appropriation statement may be submitted to Government for sanction with the recommendation that some of the Bangalos situated on the Provincial roads should either be raised to the 2nd Class or maintained by Government, and that neither of the alternatives be approved of. The District Fund Board should be allowed to revise the establishments of these Bangalos.

10. Read Executive Engineer's docket No. 671, dated 25th October 1895, forwarding an estimate for Rs. 184 for deepening the well in the compound of Dispensary at Honnali, and requesting to make arrangements for ⅓rd contribution from District and Municipal Funds.

The estimate was returned countersigned subject to the resolutions of the District and Municipal Boards.

The Board unanimously agreed to contribute towards the deepening of the well as proposed by the Executive Engineer.

11. Read Executive Engineer's docket No. 729, dated 13th November 1895, requesting to be informed if the contribution payable from District Funds is expected, and if not, Government may be moved to waive the contributions both from the District and Municipal Funds for constructing a Dispensary block attached to the Civil Hospital at Shimoga.

The Board observed that the proposed improvement is an addition to the existing Civil Hospital and Dispensary building and not a separate Local Fund or Municipal Dispensary, and that no contribution was therefore payable.

12. Read and recorded docket No. 735, dated 17th November 1895, from the Executive Engineer, Shimoga Division, giving cover to copy of docket No. 986—5788, dated 12th idem, from the Secretary to the Government of Mysore, P. W. Department, stating that the estimate amounting to Rs. 11,519 for metalling parts of the Chitaldrug-Benkipur road running over embankments and soft soil has been sanctioned by Government, and informing that the work being necessary, the sooner the whole is done the better as proposed by the Executive Engineer. Any excess outlay over the allotment in the District Fund Budget that may be incurred can be met from the savings in the Budget grant for the year.

13. Read and recorded the Tirthahalli Taluk Amildar's Itilla No. 260, dated 7th August last, reporting that the Anglo-Vernacular School at Tirthahalli was removed to the Musafirkhana as a temporary measure, as the school building was reported to be very shaky and dangerous.

14. Read and passed the District Fund Administration Report for the year 1894-95.

15. Read and recorded the Sagar Sub-Division Officer's docket No. 200, dated 24th November 1895, stating that he was unable to attend the Board meeting this day as he had posted criminal cases for hearing on that date.

16. Read and recorded the reports from the Amildars of Sagar and Tirthahalli Taluks stating that they are unable to attend the Local Fund Board meeting this day as they are busy with Jamabandi work of their respective Taluks.

A. RANGASWAMAIENGAR,
President of the Local Fund Board, Shimoga.
